**§ 206.43 Contents of a petition under section 406(a) of the Trade Act.**

A petition for relief under section 406(a) of the Trade Act shall include specific information in support of the claim that imports of an article that are the product of a Communist country which are like or directly competitive with an article produced by a domestic industry, are increasing rapidly, either absolutely or relative to domestic production, so as to be a significant cause of material injury, or the threat thereof, to such domestic industry. In addition, such petition shall, to the extent practicable, include the following information:

(a) *Product description.* The name and description of the imported article concerned, specifying the United States tariff provision under which such article is classified and the current tariff treatment thereof, and the name and description of the like or directly competitive domestic article concerned;

(b) *Representativeness.* (1) The names and addresses of the firms represented in the petition and/or the firms employing or previously employing the workers represented in the petition and the locations of their establishments in which the domestic article is produced; (2) the percentage of domestic production of the like or directly competitive domestic article that such represented firms and/or workers account for and the basis for asserting that petitioner is representative of an industry; and (3) the names and locations of all other producers of the domestic article known to the petitioner;

(c) *Import data.* Import data for at least each of the most recent 5 full years which form the basis of the claim that imports from a Communist country of an article like or directly competitive with the article produced by the domestic industry concerned are increasing rapidly, either absolutely or relative to domestic production;

(d) *Domestic production data.* Data on total U.S. production of the domestic article for each full year for which data are provided pursuant to paragraph (c) of this section;

(e) *Data showing injury.* Quantitative data indicating the nature and extent of injury to the domestic industry concerned;
